

# American Collegiate Horsemen's Association

## 2019 National Convention

### Registration

Hey Y'all!

Clemson Collegiate Horsemen's Association is excited to host this year's 2019 ACHA National Convention in Charleston, SC. The following paper work gives an overview of everything you need to know about Convention. I wanted first to briefly inform every one of the changes we have made for this year's convention.

The first change is that we do not have any specific host hotel this year. We recommend a house rental either near Folly Beach or in the city, we recommend using airbnb and booking early since Charleston books up fast during the spring.

Second, we will not be providing buses for tour day due to the low capability of them driving and parking in the city. Most of our tours will take place in downtown Charleston and in surrounding areas no more than about 20 miles outside the city. We will be providing all parking costs to the clubs.

Third, during tour day all attendees will have the opportunity to explore the city! We will have a specified block of time allowing clubs to get lunch and shop around before meeting up and going to our last tour and dinner/dance.

As we get closer to the convention we will send out more detailed information with maps and driving directions.

On the following pages we have provided you with all you need to know about Charleston. We have listed airports, restaurants, activities, weather, etc... to try and make your visit to the city as fun as possible. If there are any questions please do not hesitate to contact us!

Thank you,

Amy Kowalski  
*CCHA/ACHA President*
